COMPUTERS are getting into the bookkeeping act more and more.

Even some of the smaller operations apparently have found that a machine can handle accounts more efficiently in most instances than a person can.

And it takes the personal contact out of it when a mistake is made.

You can always claim that the computer fouled up when an irate customer calls.

That was brought to mind when one of our creditors added this "personal" notation to the bill:

"PLEASE check your statement carefully. It is the first run for Heidi, our computer."

For the record, we did check the statement carefully and found it correct.

But we weren't sure whether a note of commendation should have been sent the computer.

Something like:

"Dear Heidi:

"We don't know you personally but we are pleased to report that you made your first run without fouling up our account, for which we are grateful.

"we are looking forward to a continued pleasant association. May all your problems be small ones.

"many happy returns".

PROUD AS WE all are of the "Pruneyard" and "Towers", we learned there was some resentment among die-hard Campbell people during the past week when the "top dog" in the "Pruneyard", a well known fabric concern, indicated in its advertising that it was located in San Jose.

Now, don't get us wrong.

We are well aware that this outfit wants the world to know that it serves the greater San Jose area.

We find no fault with it for claiming it is "of San Jose".

But we thought it was a little much, when the firm put its address down as "Campbell Ave. and Bascom Ave., San Jose".

Apparently they are not expecting too much correspondence.

Or maybe their experience with the mails is better than ours.

We don't mind a bit, them bringing San Jose into the picture. We realize that they must draw from a region and not a town.

But it seems to us, from where we sit, if the fabric firm wanted to locate its establishment for the benefit of its new customers, it would be better to pinpoint the location as Campbell rather than San Jose.

San Jose covers a pretty big spot on the map, from Morgan Hill almost to Palo Alto.

You can wander around for days almost and not leave the city limits.

Campbell with "The Towers" and the "Pruneyard" can be found quite easily.

In all fairness, it should be noted that the other shops in the "Pruneyard", in their opening ads had Campbell addresses.

We know city boundaries do have overlapping problems.

But, hardly in the same center.

NOW THAT THE "GLORIOUS FOURTH" is history again (about 30 days past), it probably is safe to mention something about fireworks.

We didn't make a complete study of the situation but we venture to assert that never before in the history of this area, was it as possible and convenient to purchase fireworks as it was this past "Fourth".

In most instances, the stands were operated by members of service clubs or other

Little League all-stars advance

Campbell Little League all-stars, winners of the District 44 championship tournament last week in which only one run was scored against the locals in four games, move into sectional tournament this week at the Oak Grove Little League field.

This Friday, August 7, at 6 p.m. the Campbell all-stars play the winner of this Wednesday's ball game between the winners of District 39 and District 59.

Campbell took the district title on Saturday by defeating Sunnyvale American for the fourth straight win in tournament play.

Winner of the sectional tournament will advance to divisional play which will take place at Concord, Calif. beginning on August 10.

The Oak Grove Little League field where the sectional games are held is located on Blossom Hill Road in San Jose near the IBM plant on Cottle Road.

The Campbell contingent took the district title on Saturday by defeating Sunnyvale American 5-0 at the Briarwood field in Santa Clara.

Mike Alvarez, on the mound for Campbell, limited Sunnyvale to two hits and struck out 10 while Keven Linnaine and Lank Rowland were collecting homeruns for the locals.

On Thursday, Campbell turned back Santa Clara Westside 6-0 and previously had defeated Sunnyvale Serra (4-0) and Sunnyvale Metro (4-1).

Attic burglar strikes again

The "attic burglar" of Campbell struck again over the weekend. Alfredo's Restaurant, 67 N. San Tomas Rd., was the latest victim of the burglar who enters a laundromat adjacent to other buildings and uses the attic crawl space to gain entry through an air vent in other connected businesses.

Alfredo's lost $58 in cash to the specialist who takes only available cash, according to the Campbell police reports.

Sunnyoaks Auto Repair, 180 E. Sunnyoaks Ave., reported a six cylinder 1962 Rambler Motor, valued at $225 missing from their garage over the weekend.

Carpet fire loss totals $200,000

A fire, estimated to have caused a $200,000 loss, late Sunday night virtually destroyed a warehouse at 150 Harrison Ave. and the stacks of carpeting that were stored in the building by Breuner's Home Furnishings of Campbell.

Almost all the rolls of carpets that were stacked high inside were damaged, according to Harry Aho, Breuner's manager.

The 30-foot high sheet metal structure was also badly damaged by the fire which was battled for almost seven hours. by Campbell firemen:

As mopping-up operations continued this week, Fire Chief George Maxwell indicated that an intensive investigation was being conducted to determine the cause. (more details on page 2)

Students present music program this Thursday

A concert at San Jose Civic Auditorium this Thursday evening, August 6, will mark the end of a five week summer music program offered by Campbell Union Elementary School District.

More than 300 children in grades 4 - 8 will participate in the 7:30 program. It is open to the public.

Under the supervision of Ed Tonini, eight separate groups will perform, allowing each child who enrolled in the course an opportunity to perform.

Beginning Band will be directed by Al Alarid and will play "Aura Lee", "Streets of Loredo" and "Crusaders".

Intermediate Band will offer "This Old Man", "Grandfather's Clock", "Greensleeves" and "Colonel John March". Director is Bill Resch.

Advanced Orchestra director Wally Johnson has announced his group will play "LaBella Roma", "Dvoraks Fifth Symphony", and "Orpheus in the Underworld". Joe Cathey and Gilda Mazzanti will direct the beginning strings, who will play six string numbers.

Mike Wells will direct the Drum Corps Routine. A choral group directed by Ken Taylor and accompanied by Lori Bryant will sing "What the World Needs Now", "Sound of Silence", "You're a Good Man, Charlie Brown", and "Do You Know the Way to San Jose?"

The Intermediate Band's numbers will be "The Alarm Clock", "Circle Dance", "Reaper's Song" and "Chinese Garden". Director is Joe Cathey.

Tonini's Advanced Band will offer the final numbers including "El Matador", "Big Band Dixieland", "Raindrops Keep Falling on my Head" and "America the Beautiful".

Students participating in the program have had the opportunity to take individual lessons as well as participating in the groups. A recreation program, directed by Don Bryant has also been available.

Five weeks of practice culminate in big musical event

Editorial

Within the City

Periodically over the years, The Press has suggested that members of the Planning Commission should be required to live within the city limits.

Records will show that The Press first advocated that the City Council policy should stipulate that condition more than 10 years ago when this city was about half the size it is today.

However, over the years whenever the matter was brought before the City Council, a majority of the councilmen have felt that there could be some merit in having a Planning Commissioner from the "sphere of influence" and the Council should not be limited to the city limits in the appointments.

So the "council policy" continues to allow such a situation to exist.

The issue is scheduled once more to come up for discussion on the agenda for the August 10 meeting of the City Council.

So again The Press suggests that the Council policy be changed so that planning commissioners of the City of Campbell must be required to be residents of the City of Campbell.

We readily concede that it is not a major problem, for over the years, except perhaps in the very early days of this city's existence, the majority of planning commissioners have always resided within the city.

We also admit that even those councilmen who have favored the extra leeway allowed by this non-residence bit have publicly stated that in the case of appointments, if two applicants had equal qualifications, they would favor the city resident.

Paradoxically, when the two other advisory commissions were created, first, the Parks and Recreation Commission and, more recently, the Youth Advisory Commission, the Council policy required that the commissioners of those bodies reside within the city limits.

We suppose that it could be argued in some quarters that the new commissions functioned differently from the Planning Commission, although we don't hold with that argument.

In our opinion, the council policy appears inconsistent and discriminatory, if the requirement is not stipulated for the third.

When this city was incorporated in 1952, the population was 7500.

Today more than 24,000 live within its boundaries.

In those early days of cityhood, it is reasonable to assume that it might have been necessary to go outside the boundaries to find qualified, conscientious and civic-minded people to serve on the Planning Commission.

But with 24,000 people now living in the City of Campbell, it would be a sad commentary on the personnel who make up this community, if it was not possible to find qualified people to serve as planning commissioners.

And look at it from another point of view.

Every matter that comes before the Planning Commission (except perhaps some far-ranging planning issue) directly affects the citizens of this city.

In our opinion, it is unfair for a non-resident to sit on a city commission and rule by the "do-as-I-say not-as-I-do" principle.

It will be argued that the residence requirement ties the hands of the Council when some outstanding individual who lives "just over the line" has applied for appointment to a commission. It will be claimed that the city in such cases will be the loser.

And that could be true BUT it still follows, in our opinion, that within a city of 24,000 other "outstanding individuals" can be found to offset those "outstanding individuals" who live outside the city limits.

We candidly admit that we are extremely provincial in our viewpoint of Campbell.

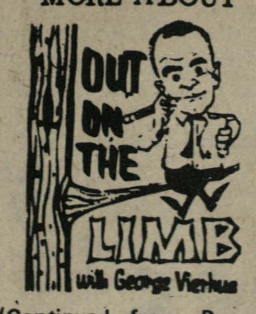
We firmly and sincerely believe in home rule and are convinced that the citizens of a community should become involved in the administration of their government.

We believe that a city of the size of Campbell offers a great opportunity for its citizens to become involved, for it is not yet so large that personal contact with the people who direct its affairs is lost.

We have long advocated that this "involvement" of the citizens should be cultivated by the city government and, although this residence requirement may appear to have minor value in this "involvement", it does have a bearing on the overall picture.

It is the City of Campbell that we are talking about.

MORE ABOUT



(Continued from Page 1)

organizations and the profits go toward their youth programs or other worthwhile endeavors.

And the stands have been money-makers, although with so many operating this year undoubtedly business was down.

While we realize that only "safe and sane" fireworks are sold and the money goes for charitable purposes in most instances, we are inclined to agree with the Fire Chief, George Maxwell, that there is no such thing as "safe and sane fireworks".

And he can cite chapter and verse to prove it.

This year a home in Santa Clara was destroyed when firecrackers landed on its roof.

A Campbell teen-ager blew off the tip of his finger while playing with fireworks.

The Campbell Fire Department responded to 21 grass fires caused by fireworks.

Chief Maxwell and Fire Marshal Gene Borden have indicated that they will request the County Board of Supervisors and the City Council to ban the sale of all types of fireworks in the county.

The request probably will be one of the most unpopular ones that has been made in recent years. It will probably start some "fireworks" on its own.

But we certainly support George and Gene in their efforts.

We hope they are successful.

-0-

"THE OTHER SIDE" has been suggested as a heading for a column in which those who have different ideas on a subject than your editor could present their viewpoints.

We would welcome it, for it is more than conceivable that we could be wrong from time to time.

Or be prejudiced.

Or not have the complete picture.

This was brought home to us recently when Paul Quintarelli and Charles Ferroni courteously submitted that a recent editorial of ours suggesting the closing of White Oaks Road was somewhat premature.

They indicated that we may not have considered all the ramifications involved.

And they had a good point. We hadn't.

-0-

IN THE EDITORIAL we indicated that, in our opinion, a double cul-de-sac on White Oaks Road would be a practical solution to the problem.

A number of residents on White Oaks have long vigorously advocated the closing of the street because of high speed through traffic which could be compounded when the new off-ramp from Highway 17 is completed.

We are sympathetic with that viewpoint as are Quintarelli and Ferroni, who own industrial properties on White Oaks near the Camden intersection which will also be affected by the closure of the street.

Quintarelli and Ferroni point out, however, that closing any street is a major undertaking and before it is done a comprehensive traffic study should be made.

That sounds reasonable.

They also feel that there is a need to gain some idea of how the immediate area, now virtually undeveloped, will fit into the picture in the future as far as traffic circulation is concerned.

The location of any double cul-de-sac, if that is the way to go, is also of vital importance.

We are still sympathetic to those residents on White Oaks who wish to curtail the traffic on their streets.

It is one of the problems a lot of us scream about in this urbanized sprawl. We know. We live on one of 'em.

But we also concede that there are some facets of the situation that we may have overlooked in our editorial.

That is possible, you know.

Breuner's carpet warehouse fire loss on Sunday totals $200,000

Fire late Sunday night destroyed a warehouse, equipment and carpeting valued at $200,000. The largest fire in Campbell for many years destroyed a warehouse located at 150 Harrison Ave., which was used by Breuner's Home Furnishings of Campbell for carpet storage.

The Campbell Fire Department responded at 9:01 p.m. Sunday night and all men and two pumpers were on duty until 2:30 a.m. fighting flames that left steel girders warped and twisted, and destroyed the rolls of carpeting piled high on racks throughout the structure.

Forklifts were employed during the early morning hours to remove the burning rolls from the building. Flames were already shooting through the building by the time fire fighters arrived on the scene after receiving the call from residents in the area.

A fire fighter, Capt. Warren Clark, suffered a broken leg when a portion of the building collapsed, causing Clark to fall from a ladder resting on the building.

According to Harry Aho, manager of Breuner's, all of the carpeting, equipment and sewing machines stored in the building owned by County Sheet Metal and leased by Breuner's as a warehouse, were destroyed in the fire.

A complete inventory of the loss is now being undertaken and supplies are being re-ordered from other Breuner's stores. As yet no new storage building has been located.

The firewall connecting the warehouse with the County Sheet Metal business saved the sheet metal business from the flames.

Mopping up operations were being carried out this week. Examination of the building was being made to determine extent of the damage. Preliminary investigation indicated that the storage building would be a total loss.

According to Campbell Fire Chief George Maxwell no cause has been determined for suspicious fire which is under intensive investigation. The building was used at 2 p.m. the afternoon of the fire and was secured by a workman before leaving.

Planning Commission on Monday sets speed record for meeting

An abbreviated Planning Commission (only four were present), set a new local record for brevity of a meeting on Monday night, adjourning less than 20 minutes after Vice-Chairman Dale Scott, who was presiding in the absence of Chairman Merrill Grim, had opened the session.

In short order the Commission approved the application of Tanner Construction for an addition to an existing industrial-office building at 214 Cristich Lane and that of Jack E. Horton for an industrial-office at 800 Cristich Lane.

Approved also was the application of Peterson Enterprises, Inc., a franchise operation, for a use permit to operate a day-care facility at 1925 Winchester Blvd.

A residence on the site which is adjacent to the high school athletic field is proposed to be converted for use by the firm. A representative of the firm explained that it was involved in converting 38 similar buildings throughout the state.

It was pointed out in the discussion before the approval of the use permit was granted that the city's building department had jurisdiction in whether the building met code requirements.

The Commission also approved the application of Guild West for approval of a 148-unit apartment complex on property that has access of El Patio.

On June 2, 1969, the Commission had approved a 152-unit for the site and the plans presented were the same except for the reduction in units.

The Commission continued the hearing on the zone-change application of Marshall S. Davis and Vernon Renner from R-1 to R-M from properties at 1785 and 1901 Hacienda.

The Commission had deadlocked 3-3 on the question at the previous meeting and it had been continued. However, with only four commissioners present, the applicant agreed that the matter should again be continued.

Continued also was the application of Lee Clark for approval of a woodyard at 1249 Dell Ave.

In addition to Chairman Grim, newly-appointed Planning Commissioner Don Hebard was absent on vacation as was Commissioner Frank Klein.

Referendum?

It was reported this week that a group, dissatisfied with the City Council action approving the zone change for property owned by the Winchester Drive-in Theater, and adjacent to its present operation, was discussing the possibility of putting the issue on the ballot via a referendum.

If the necessary number of signatures (more than 800) could be obtained on a petition, a special election would be called.

It is estimated that the cost of such an election would be about $5000.

More Helpful Hints From PG&E:
"Clip and Save"

Five handy tips on household safety.

A Little Dirt or Lint
can cause trouble. So make sure that burners and controls on your gas furnace, wall or floor heater are clean at all times. And clean or replace dirty furnace filters periodically.

Remember
to replace broken or frayed electric cords. Make sure all electric tools are properly grounded. Never put too many appliances on one outlet. And always discourage youngsters from tampering with cords or outlets.

It's Up To You
to practice good home safety habits. Don't place furniture or draperies over floor furnaces. Don't let gas accumulate before lighting a burner manually. And always make sure the burners on your range are off completely when not in use.

Get Rid Of
rusted or loose fitting vent and flue pipes. Have them checked annually. And if you suspect a gas leak, CALL PG&E IMMEDIATELY.

Once A Year
have your gas appliances thoroughly checked by your furnace man or plumber. While he's there he should make sure safety pilots are operating properly, air openings on burners are clean and burners set for a blue flame.

PG&E Is Ready To Help
If you call for a PG&E service man to check out any gas leak or inoperative gas appliance, ask him to show you where your gas pilots are located and how to go about relighting them. If repairs or parts are ever required for an appliance, call an appliance or furnace service man or your plumber.

First Methodist Church scene of double ring wedding

Sandra Elizabeth Straw became the bride of Grant Omer Thompson on July 25 at a double ring ceremony held at the First United Methodist Church of Campbell. Reading the services was the Rev. William H. Gould.

Sandra wore an elegant gown of polyester organza and Venise lace for her wedding day. The empire bodice of imported Venise lace featured a wedding ring neckline, full sheer Bishop sleeves, cuffed in matching lace and topped a controlled fully gathered skirt. A detachable train, accented with a large self fabric bow, fell into a soft chapel sweep.

A spray of matching Venise lace and pearled organza leaves sprinkled with crystals, held her four-tiered, hand rolled elbow length silk illusion veiling.

The new Mrs. Thompson is the daughter of Mr. and Mrs. Richard Coral Straw of Palo Santo Drive. She graduated from Campbell High School in 1965 and from San Jose State College in 1969, receiving her elementary education credential in 1970.

She will be teaching the fourth grade in the Escalon Unified School District in the fall. She was given in marriage by her father.

Sandra chose her sister, Patti as her maid of honor and Miss Chris Thompson, Mrs. David Thompson, Miss Joyce Yamamoto, Mrs. Mike Smith and Mrs. Pat Duval as bridesmaids. All of the attendents wore aqua floor length dacron sheer gowns. The fitted empire bodices featured high round necklines, long bishop sleeves and gathered full skirts.

MRS. GRANT THOMPSON

White daisy trim defined the empire waistlines and the top of the sleeves. Aqua dacron bows with white daisy trim were worn by the bridesmaids while the maid of honor wore a matching colored aqua spray hat adorned with demi-veils, and carried a bouquet of spring flowers while the other attendents carried spring flower nosegays.

Grant is the son of Mr. and Mrs. G. Omer Thompson of Stockton. A graduate of Escalon school and the California State Polytechnic College at San Luis Obispo, he is now ranching with his father in the Stockton area.

Standing with Grant as best man was his brother, David. Ushers were Martin Richard Straw, Jim Parker, Doug Mattes, Steve Mattesich, Ray Yater and Bill Sanquinetti. Mrs. Johr Grodeon at the organ accompanied Mrs. Lourraine Mattesich who sang "O Perfect Love."

For the wedding day Mrs. Straw wore a pink lace ensemble, with pink accessories and a white orchid corsage. Mrs. Thompson wore a lime green silken wool dress with a forest green net hat with dogwood flowers and an orchid corsage.

Following the ceremony the church fellowship hall was the scene of the reception where the new Mr. and Mrs. Thompson cut their wedding cake. White baskets with multicolored flowers decorated the hall. Mrs. Thompson wore a matching pink coat and dress for their wedding trip to Monterey.

The newly-weds will be making their home in Stockton.

NEW HOSTESS---Jannell F. Beech, daughter of Mr. and Mrs. James Beech of San Jose, recently completed a five-week training course in Kansas City, Mo., and won her wings as an air hostess with Trans World Airlines. Prior to joining TWA Miss Beech graduated from Campbell High School and was most recently employed as a service representative for Pacific Telephone Co. in San Jose. She will be based in Los Angeles.

Country Woman's Club starts new library project

A new-old project for the Country Woman's Club of Campbell, will be assisting with the development of the Campbell Library, scheduled as a part of the new civic center development now under way on North Central Ave.

One of the earliest projects of the Country Woman's Club was the sponsorship of the Campbell Library which for many years was housed in the Country Woman's Clubhouse on Campbell Ave.

Now the club will undertake to provide special projects for providing equipment and materials that the library would not otherwise have.

A case to hold rare first editions and books of historical interest dealing with Santa Clara County of California will be the first project.

Funds for the case will be raised through a booksale on Oct. 10. Anyone having used paperbacks or hardcover editions that they would like to donate to the sale may drop them off at the library where bins have been provided for this purpose.

Anyone who may have rare volumnes that they would like to donate to the special collection, is asked to contact Mrs. Courtland Watson, committee chairman or Mrs. Maud Hyde or Mrs. Eva Archibald.

Mrs. Lawrence Tober, president of the club, is also assisting in the book collection.

NEW LIBRARIANS---New faces are to be seen at the Campbell Branch of the Santa Clara County Library. Miss Sandra Kelly, has been replaced by Miss Carol Tyler as children librarian while Mrs. Janet Kammermeyer is now the new assistant Librarian, replacing Mrs. Pamela Hook.

The library staff is presently gathering books for a book sale to be held Oct. 10 in the Country Woman's Club.

Proceeds will go for the new library fund. Barrels are available in the library for book donations. Seen above are l. to r. Miss Tyler and Mrs. Kammermeyer, conferring over a book in front of one of the book stacks.

Portrait artist to demonstrate at artist meet

The Campbell Artist Guild will have Marge Faucher, portrait painter, as their guest speaker at the regular meeting August 20. The meeting will be held at 7:30 p.m. at Campbell Country Womans Club.

Marge, a member of the Palo Alto Art Club, has studied at Abbott Art School, Washington, D.C., Baylor University, Waco, Texas and in Richmond, Virginia.

She has exhibited in many major shows and currently has paintings at Galleris de Tours, San Francisco and Carmel. Parks and El Gatito in Los Gatos and Palo Alto Art Club exhibit at Stanford Hospital.

Guests are welcome to see Marge demonstrate a charcoal portrait of living model.

STAIRWAY TO SCHOOL--Perched on a stairway waiting to register for Vacation Bible School at the Saratoga Ave. Baptist Church, were a group of children who wanted to be sure they could attend the school being held August 10 through 14. Beginner children, who have just finished or who will start Kindergarten in the fall, will attend from 9 to 11:30 p.m.

Also attending at that time will be primary children who have just finished first, second and third grade.

Juniors in the fourth, fifth and sixth grade will attend class from 6:45 to 8:45 p.m. at the church at 1735 Saratoga Ave.

WIG DEMONSTATION

Different types of wigs will be demonstrated at the West Valley Senior Action center on Sunday, Aug. 16, at 2 o'clock. Lucy Jacobsen, wig stylist, will be on hand to show the various kinds of wigs.

The meeting is open to all senior citizens and will be held in the center at 41 W. Rincon Avenue.

HAPPY FOURTH--On July 4, 125 children participated in a parade sponsored by the West Rincon Homeowner's Association. Mrs. Kathy Mattingly served as chairman, with Art Olson as Master of Ceremonies. Committee members included Mr. and Mrs. Dick Hayes and Mrs. Jeanne Kennedy with Cameron Trudel, Mr. and Mrs. John Runberg and Mrs. Tom Fox as judges.

Taking first prizes in different categories were, l. to r., upper left, Honorable Mention, Pat and Ann McGuire, Rhett, Roslyn and Michael Warriner, Christina and Trudy Perry and Paul Olson. On the right is Gerrilyn Gangitano, first prize winner for best bike. Center left is the start of the parade with Terry Mann carrying the American Flag. Left, center, Janet Evans and her dog, Cricket, first prize in "Best Pet".

On the bottom row, left, the Hayes family children, first prize, "Best Costume". Their entry was called "Name Your Poison", with cigarettes and pills hanging from the float. L. to r. were Gordon, Duane and Kenneth, sons of Mr. and Mrs. Dick Hayes. Right is Debbie Capodiece pulling Nancie Capodiece and Tony Kephart in a rickshaw, which took the first prize for "Best Other Wheeled Vehicle."

SOCIAL SECURITY

Questions and Answers

Now you can apply for social security benefits over the telephone. Peter J. D'Anna, social security district manager, urged residents of San Jose and Santa Clara County to take advantage of this new service.

"Call first. Call 275-7411. You may save yourself a trip to the office," he has suggested. "Most social security business can be transacted over the telephone. For instance, we can help you fill out an application for monthly benefits, change your address for delivery of your social security checks if your are moving, and, of course, answer your questions about the whole social security program, including Medicare.

"So try a phone call first. Chances are that we can take care of your social security questions without the need for you to visit the office."

D'Anna went on to emphasize that the phone number 275-7411 is a new telephone number for the Santa Clara County service area. Present recipients of Social Security should also use this number.

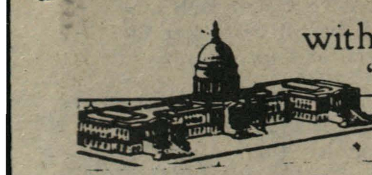
ON CAPITOL HILL



with "Charlie" Gubser

At this writing the House of Representatives is deeply involved in modernizing its antiquated procedures. As one of the leaders in this reform, I welcome the change.

The Executive Branch is also attempting to update itself to the 20th Century. "Reorganization" is the name of the game everywhere in Washington—except in the Judicial Branch.

This year about the first of July the Supreme Court packed up for its traditional three-month vacation and completely disregarded its unfinished business and the unreached judicial landmarks which will shape the character of American life.

No one begrudges our judges a reasonable vacation. But three months, in these tension-filled days when complex issues must be solved, is not a reasonable vacation.

For almost a year the Supreme Court has postponed decisions while the Senate debated the Haynsworth, Carswell and finally the Blackmun nominations. Without a full Court, postponement of decisions was justifiable. But now with the vacancy filled, the Court still takes three months off as it did 100 years ago. Left unresolved are such questions as the right of a citizen to object to service in a specific war, the busing of students to achieve integration, and the constitutionality of the law giving 18-year olds the right to vote.

Any state could challenge this last law by direct appeal to the Supreme Court—if it were in session. Unless the matter is decided by January 1, thousands of bond elections in which 18-year olds vote will be under a legal cloud.

The Supreme Court is not the only culprit. Lower courts are also guilty!

D. C. Police Chief Wilson states that in 1968, 34.6% of those awaiting trial for armed robbery were arrested again for major crimes before being tried on the first arrest. Some committed as many as three crimes while out on bail. This is one cause of Washington's astounding crime rate.

Lest this be interpreted as a blanket indictment, let me state that the Santa Clara County Superior Court system, one of the oldest in California, is a happy exception. In 1953 there was a delay of 27 months in bringing cases to trial. This has been reduced to six months, about the ultimate, by judges who work a respectable number of hours and also insist that attorneys be ready to go to trial on specific dates.

If this were the case across the country, the administration of justice would certainly improve. But unfortunately this doesn't seem to be the trend.

One morning I suggested to Attorney General Mitchell that judges should work a 40-hour week. "In the eyes of many Americans," I said, "appointment to the federal judiciary amounts to semi-retirement". The Attorney General's rebuttal was somewhat less than spirited.

In this complicated age, three month vacations for the Supreme Court and thirty-hour weeks by lower court judges simply must go. If Congress and the Executive Branch are finally moving into the 20th Century, it's about time the courts did likewise.

CLEAN CARS FOR A CAUSE---Members of the newly-formed Del Mar High School Drill Team turned to and washed cars recently trying to raise money for uniforms. The successful fund raising event was held at Chuck's Hancock Station at Campbell and Union avenues.

Chuck donated his premises and equipment for the car wash day. Pictured above l. to r. are Kathy Gage, Michele Stevens, Lorrie Garrison, Kace Lockhart and April Roberts with Chuck Ruddle, owner of the station in the middle.

OBITUARIES

MRS. VIOLA YEAGER

Final services were held for Mrs. Viola Andrews Yeager, wife of Daniel Yeager, and former Campbell resident for 40 years. Yeager, a retired rural letter carrier, delivered the first rural route in the area from a Model T Ford.

Mrs. Yeager was a descendant of California pioneers and resided in the area since the age of 10. She was 72 at the time of her death which occured in her home at 14685 Oka Road. She had been ill for a number of years.

Mrs. Yeager was a native of Cambria and was the granddaughter of John Andrews, early homesteader in the area on her paternal side and Henry and Frances Martin maternal grandparents, who also homesteaded in the area following a trip by covered wagon from Kentucky.

Mrs. Yeager was a graduate of the old Gardener Elementary School and was the mother of Alson Andrews leaves two sisters, Mrs. Mabel Andrews Draper of Sunnyvale and Mrs. Audrey Andrews Knight of San Jose; four grandchildren and a great grandson.

She was a member of the Orchard City Grange, a charter member of the Order of the Eastern Star No. 553 of Campbell; a charter member of the American Association of Retired Persons, San Jose Chapter and a member of the Ladies Auxiliary of the Brotherhood of Railway Trainmen.

Services were held from the Santa Clara Funeral Home with interment at Cypress Lawn at the John Andrews family plot.

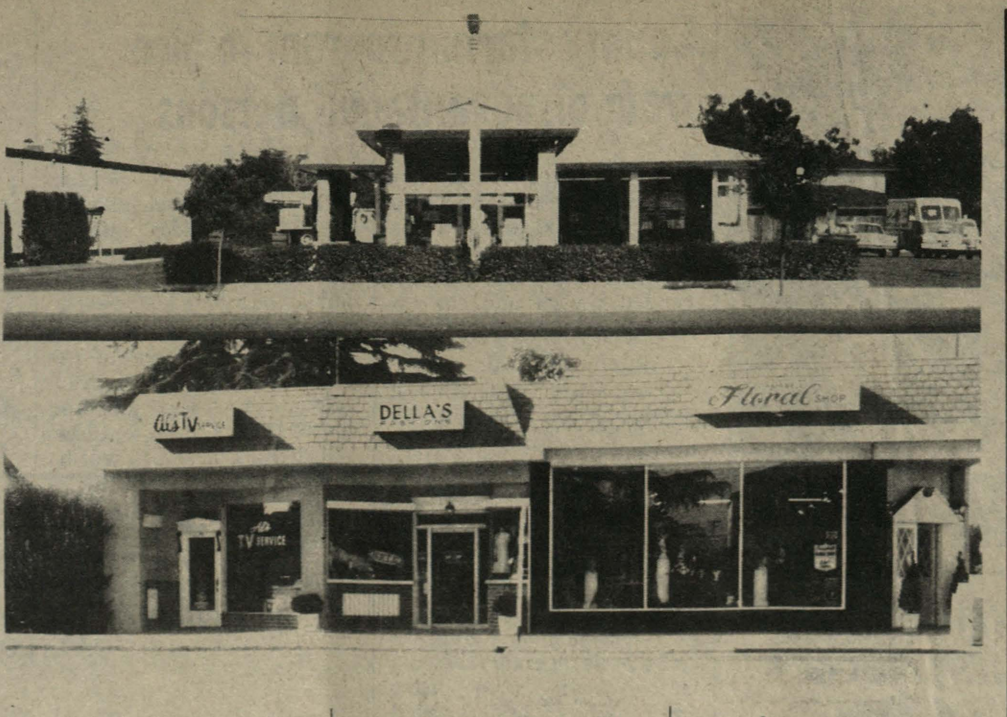
FIRST BALLOON

The first ascent of a balloon carrying living creatures—took place in 1783 in the presence of Louis XVI and Marie Antoinette, King and Queen of France.

ON U.S.S. DETROIT

Navy Seaman Apprentice Geoffrey C. Lomas, son of Mr. and Mrs. William Lomas of 3970 Via Cristobal, Campbell, is serving aboard the fast combat ship USS Detroit in Bremerton, Washington.

The Detroit was recently host to Puget Sound Naval shipyard workers and their families during a special open house aboard ship.



BUSINESS BEAUTIFICATION---Seen above are two Campbell businesses who have added to the attractiveness of the Campbell business scene. The Campbell Business Beautification contest opens during August and all Campbell businesses will be judged on the appearance of their establishments and how the surrounding area is kept up. August will be "Business paint and clean up month" and the winners will be announced at the end of the month.

Top, above, is the Chevron station owned by George DeVan at 2517 S. Bascom Ave. between Dry Creek and Union. The attractive station is fully landscaped, litter free and well maintained. The Bennett Tree Care Company has cared for the landscaping since the business opened.

The bottom photo shows the new mansard roof on the Campbell Floral Shop business, Della's Fashions and Al's TV at the corner of Campbell Ave. and Fourth Street.

35th ANNIVERSARY--- Above is a pictorial presentation of the new FBI Academy to be located in Quantico, Virginia. The academy is now marking its 35th anniversary.

It was started July 29, 1935 with 23 police officers from agencies throughout the nation. The new facilities that are being constructed to be completed in 1972 will allow the FBI Academy to train 2000 officers a year, compared to 200 now.

In addition, 1000 other officers can be handled in shorter, specialized training courses. The new center will feature two seven-story dormitories and the classrooms will have the latest and most advanced audio visual teaching and training aids.

WATCH OUT FOR THE OTHER GUY

County starts program to hire train disadvantaged persons

County Executive Howard W. Campen forecast the hiring of 100 to 150 disadvantaged persons as a result of the $437,000 federally funded project and the upgrading of another 150 jobs.

Additionally, the Public Services Careers program will provide the opportunity to revise and update county Merit System processes and procedures and will dovetail with a separate comprehensive work measurement program being conducted by County goverment

"The combination will provide a basis for evaluating cost factors relating to the hiring and training of disadvantaged persons and establishing performance yardsticks," Campen said.

County government in recent years has removed many artificial barriers to employment at entry-level jobs and is employing aides with no educational or experience requirements for mental and public health, social services and probation activities.

During the process of employment of the disadvantaged in entry-level jobs and the upgrading of present low-skilled jobs there also will be an intensive study of sub-professional jobs to establish promotional ladders and create on-the-job training programs.

The federal government for program purposes has defined a disadvantaged person as "a poor person who does not have suitable employment and who is either (1) a school dropout, (2) a member of a minority, (3) under 22 years of age, (4) 45 years of age or over, or (5) handicapped."

The project will be operated through the County Personnel Department and will involve a special statt.

Following a period of job analysis, hiring of disadvantaged persons will begin in mid-October.

In California, only the State government and Santa Clara County are involved in the Public Services Careers program, according to Newton Holcomb, Asst. County Executive.

"This demonstration project will enable the county to push ahead much faster to revise employment standards, improve staff training and adjust the job structure in the civil service system with substantial benefits in better administration," he said.

COMMENDED

Specialist Four, James M. Langford, 19, son of Mrs. Vivian J. Langford, 109 Budd Ave., Campbell, recently received the Army Commendation Medal while serving with the 4th Infantry Division near An Khe, Vietnam.

Campbell-Moreland Pony all-stars lose sectional title in finals

Campbell-Moreland Pony League all-stars lost to Richmond for the sectional championship on Saturday, but it went right down to the wire and it took a double-header to decide the winner.

Campbell-Moreland won the first game of the twin bill against Richmond by a 9-3 score but lost 4-1 in the twilight affair.

Richmond will play in the regional tourney in Portland.

It takes two losses to be dropped from Pony League tournament play and Richmond accounted for both C-M defeats, having won the Thursday battle between the two clubs 6-2.

Campbell-Moreland, after losing to Richmond on Thursday, defeated Santa Clara City 5-1 on Firday to earn the right to meet Richmond on Saturday.

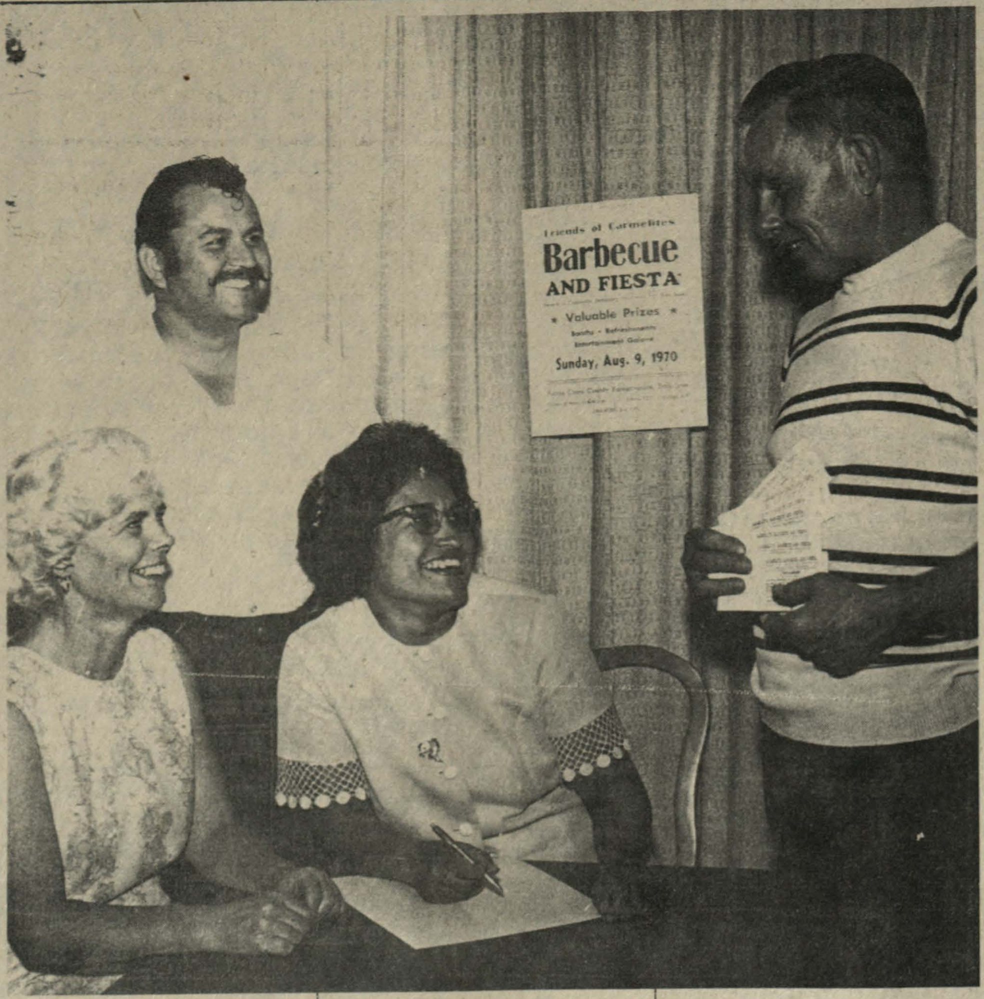
It was necessary for C-M to win both ends of the double-header to gain the sectional crown.

Richmond's pitcher, Tony Eisley, was the winner of both tilts against C-M.

In the first game on Saturday, Mike Codiroli and Mitch Flynn did the mound duty for Campbell-Moreland and limited their opponents to three hits.

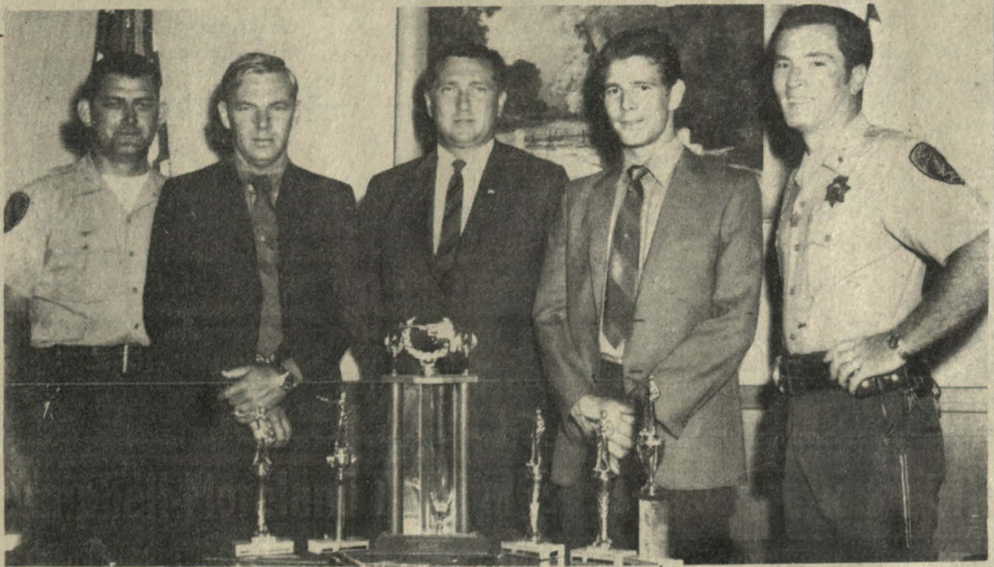
But in the second game Richmond collected 11 hits, including a home run in the sixth by J.D. Williams, the catcher, which gave Richmond a 3-1 lead. Richmond had scored two runs in the first inning on three singles.

The lone Campbell-Moreland run in the second game came in the third when Gordy Hahn singled in Craig Murata.



CARMELITE BARBECUE—Barbecued chicken with all the trimmings will be served from noon till 6 p.m. on Sunday, Aug. 9, with proceeds to go to the Carmelite Seminary and Missions.

The annual Carmelite Barbecue and Fiesta will be held at the Santa Clara County Fairgrounds, Tully Road, in San Jose. Prizes will be given away during the afternoon and booths will be open with both food and gifts. Above Mr. and Mrs. Benny Garcia, center, of Campbell, confer with Mr. and Mrs. Bernard Guina, on the preparations for their famous Bev's Taco Booth that wi.l be in operation during the fiesta.



MARKSMEN---Police Chief John Morgan (center) poses with members of the Campbell Police Department who were trophy winners in the Harold Thorton Memorial marksmen tournament held recently in Turlock, Calif.

Pictured (left to right) Officer Ron Pennington (marksman class); Agent Roger Higby (expert class); Morgan: Agent Jim Stoner (sharpshooter class); Sgt. Bob Wallace (master class). Not pictured is Reserve Officer Steve Brownlee who also trophied in the marksman class.

Light agenda faces Council next Monday

A light agenda faces the City Council next Monday night, August 10, when two councilmen as well as the city manager will be on vacation.

On the agenda for discussion is the matter of changing the Council policy pertaining to residential requirements for planning commissioners. At the present time, planning commissioners need not reside within the city limits.

Whether any action will be taken, however, is problematical.

The Council by a 3-2 vote last meeting placed the matter on the agenda but, ironically, the two, Mayor Dean Chamberlin and Councilman, Ed Rogers, who voted against scheduling the matter are not expected to be present next Monday.

On the agenda also is the appeal of Guild West from a Planning Commission action denying site approval for the proposed development of a parking lot adjacent to an office building at 80 Gilman Ave. The lot, adjacent to Campbell Park, is owned by the city and Guild West wants to develop it into a parking lot to be jointly used by the office building and the city.

A screening committee, headed by Rusty Hammer, chairman of the Youth Advisory Commission, is scheduled to make recommendations for appointments to the vacancies that now exist on the commission.

The names of Connie Morgan, of 765 Fairland, and Bill Mitchell, of 870 Monica Lane, will be submitted for Council approval.

The Council has also been notified by the Registrar of voters that any special measure that the city might want on the Nov. 3 election ballot must be submitted to the county by Aug. 21. The meeting next Monday is the last before that deadline.

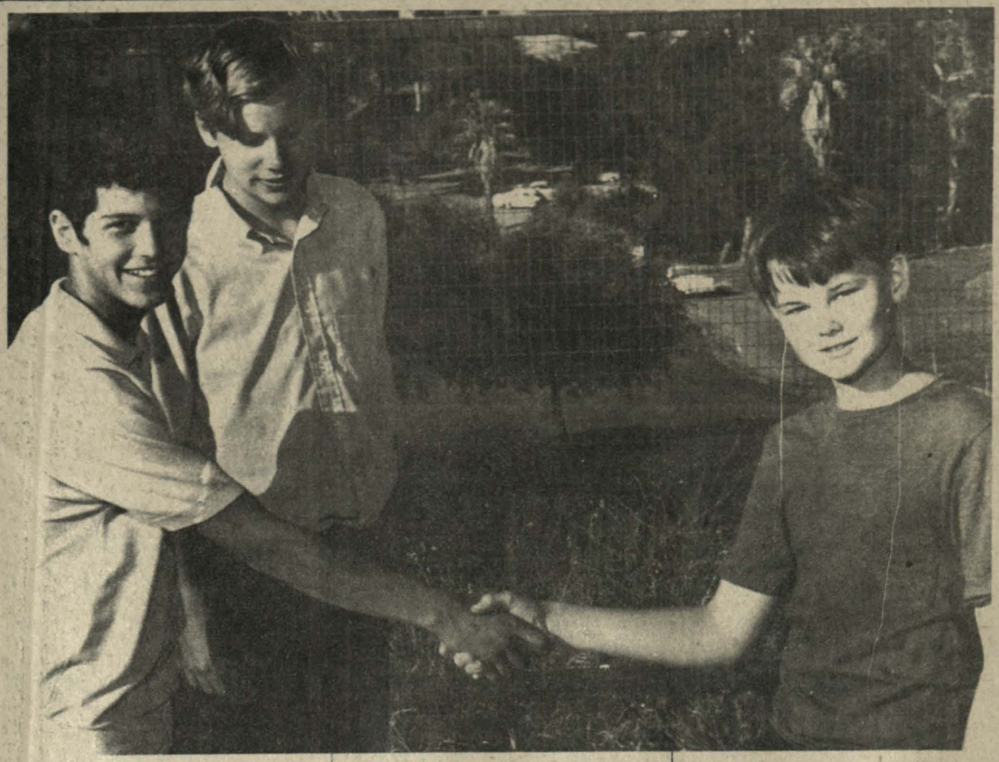
TOURNEY ENTRY--Campbell Lumber, winner of the Campbell Little League major division championship, opened play on Monday, August 3, in the District 44 "Tournament of Champs" at the Rosemary field.

Campbell Lumber's opponent in the first game was the winner of the Santa Clara El Camino Little League. The games this week will be at 6 p.m.

In the picture, front row, left to right, Brian Bagley, Yogi Echeverria, Richard Sublett, Ralph Echeverria, Cary Simons, Jim Giorgianni, Frank Ybarra, John Aure, Dave Bishop.

Back row, left to right, Vince Echeverria, manager; John Lisenby, Tim McClindon, Kevin Linnaine, Kelly Linnaine, Lank Rowland, Jeff Thiebaut, Del Bishop and Buz Thiebaut, coaches.



JUNIOR GOLFERS--Congratulating new captain and co-captain of the Saratoga Country Club Junior Golfers is Dan Ferrell of Campbell, 13, right. The officers are John Fleming of Los Gatos, 16, center, and John Maggiore of Saratoga, 14, right. Dan's brother, Bruce, was winner of the 18-hole tournament held following elections.

Record catfish catch reported

Lake Nacimiento's waters at Paso Robles last week gave up a new lake record Channel Catfish, reports Dick Kelsey, manager of the recreational facilities here.

Tom Alvey of Fresno boated a whopping 14 pound 1 ounce Channel Cat on Monday, July 13. Alvey was fishing the Bee Rock area of the lake when he tagged his tackle buster. His big Cat, which taped in at 31 inches fell prey to a hook baited with frozen sardines. Alvey's record Cat merely put the cap on another week of excellent Catfishing.

Catfishermen have been having a field day with the whiskered fish.

COME IN AND SEE OUR GREAT NEW, COMPLETE CYCLE CENTER

When you buy a new bike at an "ordinary," non-bicycle store you often have to take the carton home and assemble the bike yourself. Frequently, an additional charge is made for the assembly service. When you buy a bike from us there is nothing ordinary about it. First, it is a Schwinn — one of the world's finest bicycles. Second, we are a factory franchised Schwinn dealer — so you can rely on our service and quality. Third — every bike we sell is assembled, adjusted, and ready-to-ride.

SERVICE? WE'LL TAKE CARE OF IT! From time to time even the finest equipment requires the steady hand of a factory trained serviceman. If you need help, isn't it a comfort to know we're right around the corner. Whether it's a tire change, or a complete bike rebuilding job, we are ready . . . cheerful, fast, and efficient

Martin Hoffman takes Denise Pettus as bride

MR. AND MRS. HOFFMAN

The First Methodist Church of Watsonville was the setting for the July 5 wedding of Denise Lee Pettus and Martin Bruce Hoffman.

For her wedding day Denise wore a full length gown of white silk illusion with an overdress trimmed with daisies and seed pearls fashioned with a chapel length train and long sleeves.

A Juliet cap of lace and pearls secured her long tiered veil of silk illusion and she carried a nosegay of white and yellow chrysanthemums and yellow roses with yellow ribbons.

A sister, Christine Pettus, served as maid of honor in a full length empire yellow organdy gown trimmed with white daisies and she carried a white and yellow daisy and chrysanthemum bouquet with yellow streamers. Similar gowns were worn by the bridesmaids, Mrs. Ronald Bowron, Miss Wendy Hoff and Miss Carol Egan. White streamers completed their bouquets.

White streamers completed their bouquets.

Miss Pettus was a 1968 Watsonville High School graduate and is presently studying for her BA degree at San Jose State. She is employed at the Credit Bureau Metro in San Jose. She is the daughter of Mr. and Mrs. James T. DeMoss of Watsonville.

For her daughter's wedding day, Mrs. DeMoss wore a nile green silk coat and dress ensemble with a white orchid corsage.

Martin is the son of Mr. and Mrs. Martin W. Hoffman of Paseo Olivos in Campbell. He was a 1967 graduate of Blackford High School and attended West Valley College. He is presently a management trainee for a finance corporation in West Gate.

Brian Hoffman stood with his brother as best man and the guests were ushered by Thomas McLennan, Steven Horwege and John Hitchcock. Prelude music included the theme from Romeo and Juliet.

Mrs. Hoffman chose a pink silk coat dress complimented with a white orchid for the wedding day.

Following the wedding ceremony the new Mr. and Mrs. Hoffman greeted their guests at the Watsonville Elks Club which was decorated with yellow and white topiary trees on the tables. The newly-weds cut their five tiered cake before leaving on their honeymoon to Lake Tahoe.

Mrs. Hoffman chose a pink knit with matching accessories for her going away outfit with an accent note of a white corsage. As they drove away the young couple were showered with flowers instead of the traditional rice. A home in San Jose is being planned.

Betrothal Revealed

A champagne toast given by William C. Lowe to Steven Gilbert Belgin revealed the betrothal of Debbie May Lowe and Steven at a dinner party given recently at the Lowe home on Nadine Drive.

Debbie is the daughter of Mr. and Mrs. Lowe and was graduated from Campbell High School in 1968. She attended West Valley College and is presently employed in Santa Clara.

Steven is the son of Mr. and Mrs. Gilbert S. Belgin of Rosemary lane. He also graduated from Campbell High School in 1968 and was a member of the 1970 West Valley College graduating class. He plans to continue his studies at San Jose State College in the fall.

A June, 1971 wedding is being planned by the young couple.

ASSISTANT MANAGER---Joseph D. Geist has been appointed assistant manager of the Campbell office of Wells Fargo Bank succeeding Mike Ivicevich who was promoted to manager of the Parktown Plaza office in Milpitas of Wells Fargo.

He and his wife, Susan, and their three-year old son, John, presently reside in Foster City.

Born in North Dakota and raised in Wilmette, Illinois, Geist was graduated from the University of Santa Clara in 1963 with a B.S. in marketing.

He joined Wells Fargo in 1966 and was assistant manager in San Carlos prior to coming to Campbell.

Kidney drug bank now available

The South Bay Chapter, Kidney Foundation of Northern California, is offering a vital service to the residents of this area. Patients with a kidney problem have had to send prescriptions to the drug bank in Palo Alto.

A new drug bank, to serve the entire South Bay area, is now available. For further information call the Kidney Foundation at 248-1210.

The Kidney Foundation is now making an appeal for Betty Crocker coupons to help in obtaining a kidney machine desperately needed in the area.

Coupon donations can be sent to: Mrs. Virginia Altice, 3154 Mauricia Avenue, Santa Clara, California, 95051.

College sets deadline for fall admission

Application deadline for admission of new students to West Valley College for the fall semester is Aug. 10. Returning students to the college must file a reapplication for admission by the same date.

Applications must be on file in the Admissions Office, 51 E. Latimer Ave., Campbell, by 10 p.m. that evening. All students who apply for admission after that time will be diverted to the extended day (evening) program.

West Valley has experienced tremendous growth in the past few years. This Fall the college is expecting a 20-25 per cent increase in student enrollment over enrollment in the fall semester last year, according to Don Ziegler, dean of admissions and records.

Ziegler said "it would not be unrealistic to expect the district to register 11,500 students".

TO TEACH---Philip B. Tainter, local realtor and currently sales manager and director of Smiley-Hudson Co. of San Jose, has been employed by West Valley College to teach real estate classes this fall.

In addition to the two classes offered by Tainter, the college will also offer classes in real estate practice, real estate economics, legal aspects of real estate, real estate appraisal, real estate finance, and tax aspects of real estate.

Contact the Admissions and Records office, 51 E. Campbell Ave., Campbell, telephone 379-1733, ext. 63 for class information.

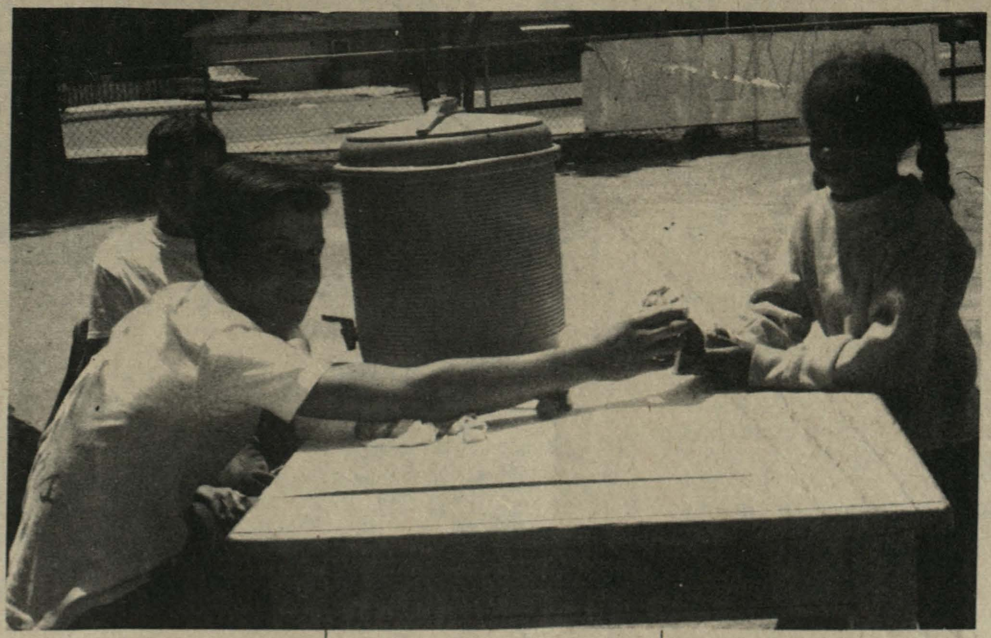
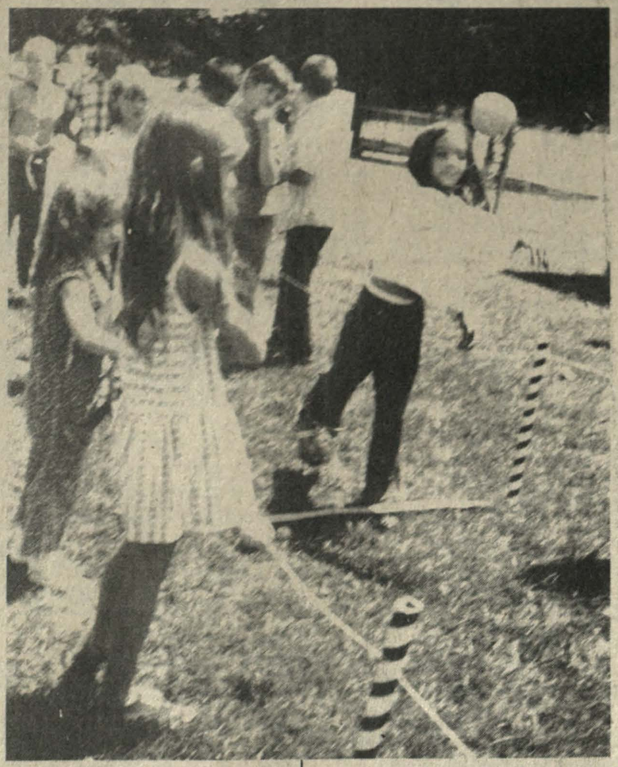
S-P-L-A-S-H---Tim Becerra, right, hurls a soaking wet sponge at Steven Farley in the booth left, who ducked as the missle splat against the booth at the Rosemary School carnival held last week.

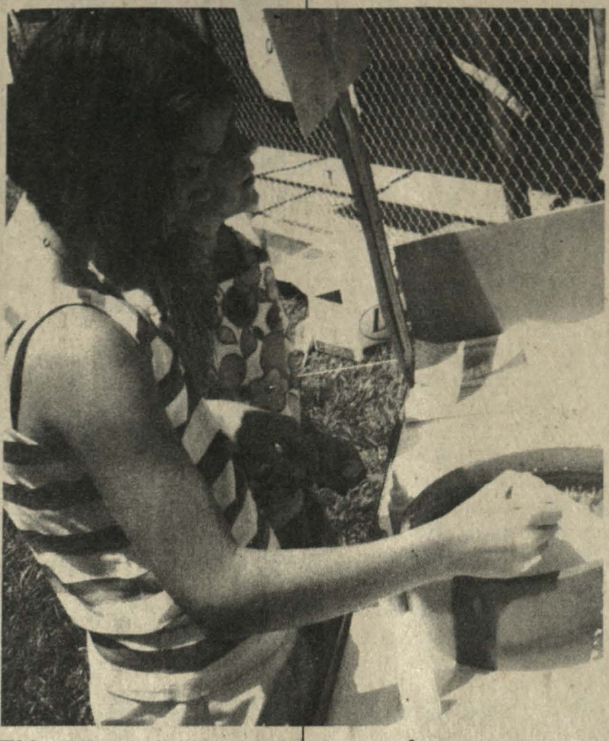
Steven Ducock, center, ably handled the ticket collecting and distributed the wet sponges.



SWEETS FOR THE SWEET---Kelly Hardwick, right, gets a snow cone from Dominick Taormin with Shawn Skillman looking on. The action was part of the carnival carried out at the Rosemary School as part of the Campbell Union (Elementary) School recreation program.



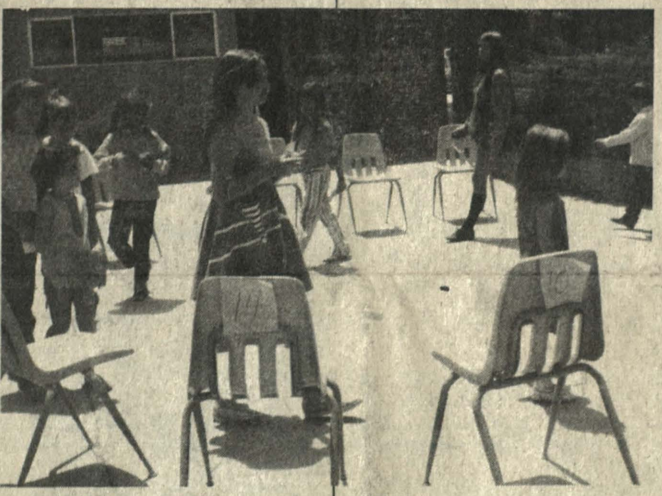
IMPROVING SKILL---Eva Joyce tries her skill at throwing the baseball at the Rosemary School carnival held last week. Watching her are tiny Patty Littleton and Myla Robertson.



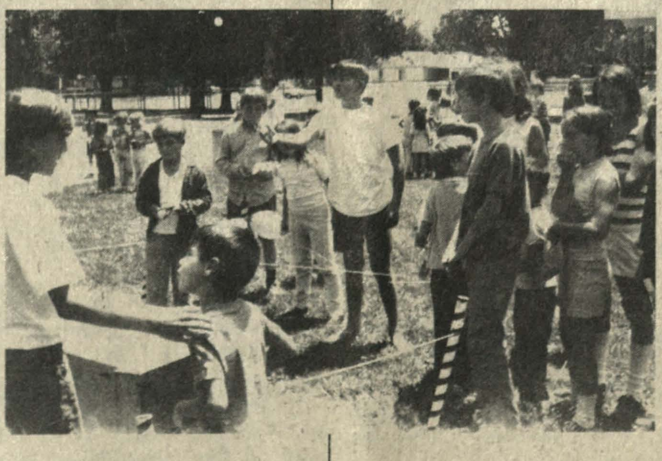
NEW ART---Kathy Deison is intent on producing a world famous picture as she tries her skill at the "Spin-An-Art" booth at the Rosemary School Carnival last week.

SUMMER TEACHER

Madeline Hale, a Campbell elementary school teacher, is teaching an education course in Movement and Learning this week in the University of Santa Clara summer session. The course relates theories of educational psychology with a child's movement skills and learning ability.



CAKEWALK MUSICAL CHAIRS--Trying to win a cupcake are counter-clockwise Patty Littleton, Karen Caruso, Joanne Caruso, Roxanne Allen, Kelly Hardwick, Lena Allen and Angela Midd. The one sitting down in the numbered chair chosen to receive the cupcake wins. The action was part of the carnival held last week at Rosemary School as part of the Campbell Union School District summer recreation program.



A GOLDFISH IS THE PRIZE---Tony Armonetti throws a ping-pong ball trying to win a goldfish at the Rosemary School carnival last week. Working at the booth are Gary Butruce and his brother Mark. Betty Stevens, awaits her turn.
